**ASSET:** Asset now has three panels instead of four and changes were made to the SCHS by-laws. We will table this until next meeting for discussion. Shannon will look into how ASSET would want to give us updates. We have not had updates from ASSET for a while. Discussion was made how to fix this. Shannon will also look into ASSET policies.

The intended purpose is for representatives to share between committees and be liaisons. A suggestion was made to have ASSET come to our meeting to see what a better plan can be for communication. Cassie will contact them about this.

**Questions-concerns-updates:** We would love to hear your feedback. Please take a minute to take the survey that will be sent out at a later date.

**December banquet or a project-** A discussion was made to use the money normally for a holiday banquet toward a special project and have a potluck as our holiday meal. A motion was made and seconded. We will have a potluck as our banquet meal on December 8.

**ICODVA: Lindsey-** Iowa Coalition of Domestic Violence is headquartered in Urbandale. ACCESS helps them here in Story County. 350 individuals work with people in need. They also have a mobile advocacy. They have advocates in all 99 counties to help those in crisis. They also offer financial courses. There are 10 of these courses around the state and they work 1:1 with their clients. There is a scholarship for college courses for those grown up in a domestic, violent home. They are going around the state taking a survey of what more can be

done in domestic violent situations. Domestic violence affects all aspects of life. We don't want to maintain the problem; we want to diminish the problem. 1-4 women will be impacted from teen dating. 1-6 will have a trip to the ER because of dating violence. We need to be proactive with this issue and educate. They do all the training for ACCESS.

**Ames Chamber- Jan:** They are unveiling a new program. It is called the Corporate Buddies Program. They combine a current member and partner up with a non-profit. Ames Ford Lincoln was the first to do this. They are partnered with Habitat for Humanity. It is a two-year program. The non-profit only have to pay half of the chamber fees and their partner will pay the remaining half. Non-profits will have the ability to have access to chamber services. The Chamber will be hosting Business Builder which will be more in depth as to how this new service will work. It will be held Wednesday November 2 at the Ames Chamber of Commerce from 8:30-9:30.
